

Early Education Funding 9 – 23 months Sept 2024 – March 2025

9 + MONTHS – 23 MONTHS FUNDING PRICES ARE INCLUSIVE OF MEALS AND CONSUMABLES					
15 hours	1 day	2 days	3 days	4 days	5 days
Term Time Only system (15 hours per week x 38 weeks per year)	n/a	£168.40	£401.59	£634.77	£867.95
Stretch System (15 hours per x 38 weeks per year +13 weeks non funded)	n/a	£300.62	£587.50	£874.37	£1161.25

Once your child turns 2 years old, the academic term after their birthday will be when the 2 year old funding rates will apply. This will be at the beginning of January, April or September each year. This is due to claiming for the funded hours for your child’s age group for the academic term and not as previously, the month after their birthday. The Local Authority will be providing the funding as per the academic terms. Changes cannot be made to a child’s pattern of attendance part way through the academic term. Any hours missed due to your child’s sickness, bank holidays or family holidays cannot be saved, banked or carried over.

Any requests for day changes will be subject to availability within the nursery and is not guaranteed. Should parents request any additional days, this will be subject to the full daily rate of the nursery fees and not the reduced rate for the funded hours due to the pattern of attendance that is confirmed upon the Parent Agreement Form.

The term time only option is calculated over 11 months of the year including the month of September till July. The Stretch option is calculated over 12 months of the year.

Please note that in line with the Government wage increase, the fees will increase each April and invoices will be provided inclusive of months September 2024 – March 2025.
